Please circulate this and all these opportunities amongst your networks.

ROC Community Mentoring is an initiative set up to improve the quality of life for young people and their families. We believe that stronger families produce stronger and healthier communities and that with the support of a ROC Mentor, young people and their families can reach their true potential and flourish. Our volunteer mentors are fully trained and drawn from across the local area, bringing with them a wealth of skills, knowledge and life experience and all are passionate about making a difference in their community. to be part of this team please contact: [Sian Owen](#)

ROC + NS VRU “Dragons Den” project funding

North Somerset VRU have some funding available for seed funding small projects in Weston and Worle communities working with ROC Weston to help select and monitor progress in a “Dragons den” Style selection process. The aim of the funding is to seed new or support existing projects that will have an effect in the following areas:

- Reducing youth violence
- Raising awareness of knife crime
- Reducing domestic violence
- Reducing alcohol related violence
- Increasing the safety of the local area
